Supreme Combo Link has 4 exciting levels – Grand and Major are progressive, while Minor and Mini are Bonus Prize and Non-progressive.

The scarabs lead the way to wealth, starting with the Green Scarab, which grants players 8 Free Spins. In them, frames may appear around the figures, and they remain until the end of the Free Spins. As a finishing touch, one Super Spin is played, and winnings are paid only for the figures in the frames. If the frames fill out the whole screen, there is a special multiplier.

The Blue Scarab offers a Keep&Spin bonus with up to three resets when Scarabs with credit are spinning on the screen. A full screen of Blue Scarabs grants a win multiplier.

And now for the cherry on top – the Red Scarab, which starts a Jackpot Pick-up bonus with 12 elements, where opening three of the same elements, wins the corresponding jackpot level.

Another four types of bonuses await as a mix of the previous three, and if the jackpot is opened with another bonus, up to three extra coins with winnings from previous bonuses can be won.
